

PROGRAM PHILOSOPHY

The MRHC Junior Tennis Program is intended to give every boy and girl the opportunity to develop and further his or her tennis skills in a positive and supportive environment. All ages and abilities will have programs appropriate for their skill level and tennis goals.

JUNIOR CLASSES

All junior classes run in four or six week sessions and are billed at the end of each session. Minimum class size is three students.

TINY TOTS

A fun introduction to tennis with an emphasis on hand eye coordination, movement, and fun games! The instructor will take your child to Kid's Club provided reservations have been made in advance. Tot class will have a maximum student-instructor ratio of 4-1.

LEVEL ONE & TWO: BEGINNER TO INTERMEDIATE

(grouped by ability)

Players range from beginners to novice players who have had some private instruction. These players typically lack the control to sustain a rally and consistently get their serves in. Emphasis will be on the development of proper fundamentals, learning how to keep score and the basic rules, playing numerous games that increase a player's court awareness, and having fun.

LEVEL TWO: BEGINNING COMPETITION

Players have had one or more years of private and/or group instruction and have become more consistent in rallying and getting their serves in. These players are getting close to participating in novice leagues or playing on their high school teams. Emphasis is on improving their strokes and serves, and starting to play actual singles and doubles games.

LEVEL THREE: ADVANCED TOURNAMENT LEVEL

For more serious players wishing to play competitively or play in high school. Players must be able to sustain a rally and get their serves in. The emphasis is on beginning to more advanced strategies in singles and doubles.

RALLYBALL

This is a fun program designed for beginners and intermediate players. The emphasis is on learning to rally & keeping the ball in play. Teams are formed & players play against each other in a short-court doubles format.

**The Junior Development and Tournament Level programs each offer transportation and coaching to USTA Tournaments throughout the year at additional cost.*
