### ENTRY INFORMATION

1. Supply complete information on Entry Blank.
2. Entrants may only sign up for three separate events. A player may, however, substitute in any event as long as he/she isn't re-entering the same event, doesn't affect the scheduling, and doesn't affect the seeding. In singles, a player may play above their level but never below without department approval. In doubles, you may play at the average level, or above, of the two players, i.e. 4.5 and 3.5 player may play 4.0. A 4.5 and 4.0 player must play 4.5, unless approved by tennis department.
3. You do not need a USTA rating to play in this tournament.
4. Doubles partners must be listed. No phone entries. There will be no refunds after first match.
5. It is the responsibility of the entrant to acquire their starting time. Times will be posted at the Club on the weekend before play starts.
6. There may be some Friday evening matches in certain divisions with large draws. You may play before Friday as long as the match is completed before your 2nd round match.
7. Please don't sign up if you're not available for entire weekend. We will not accept requests for no Friday evening matches.

### TOURNAMENT RULES

1. USTA-NCTA rules will govern play unless otherwise noted.
2. Matches will be 2 out of 3 sets. Regular scoring will be used throughout all rounds unless draws are very large. Twelve point tiebreaker will be used in all rounds.
3. Warm-up time: 10 minutes including serves. No breaks between sets.
4. Report to the tournament desk at your assigned location 15 minutes prior to scheduled match time. USTA GAME PENALTIES will be assessed to those players checking in after 5 minutes of scheduled match time. Once you have checked in, please do not leave the tournament area.
5. Players are responsible for obtaining all starting times.
6. All players entering play at their own risk. Shirts must be worn at all times.
7. Tournament director reserves right to refuse entry, place players in appropriate division and disqualify players found playing in the wrong division.
8. Rainout days: Players must comply with rainout dates or be defaulted. Refunds only if players have not played more than one match.
9. Prize Money based on number of entries.
